

WELCOME TO WINGS OVER WATER

Dear Parents and Swimmers,

Thank you for choosing Wings Over Water School of Swimming. It is our pleasure to have you under our “Wings”.

Our trademarked ‘Swimplicity’ curriculum is nationally recognized and based on extensive research in developmental swimming methodology.

This Parent Orientation Handbook contains important information to start you on your swimming journey with Wings Over Water. Please carefully review the contents of this folder. If you have any questions, a Front Desk Associate will be glad to assist you.

We look forward to sharing joyful aquatic learning adventures and our expertise with you and your family.

Enjoy and Welcome!

Swimcerely,

Eddie Flood and the Wings Over Water Staff
